\$ _____ **General Fund.** Contributions made to the General Fund help us cover the shortfall of our membership dues and are essential to our survival.

We recognize that some donors prefer to restrict their donations to certain activities. The following are a few of our most pressing needs:

\$ _____ **Next Generation Fund.** Pay it forward by helping us reach the next generation of genealogists through an up-to-date website and social media. Hire a technical consultant as needed to implement a unified business system making functions such as membership renewal, digital delivery of journals and "behind the Member Wall" services seamlessly accessible.

\$ _____ **Facility Facelift Fund.** Create a more inviting, updated, and safe space for Library patrons, users groups, volunteers and our Annual Meeting.

\$ _____ **Members Only Enhancements.** Hire a technical consultant as needed to make our own databases and publications available behind the Members Only wall; purchase a flatbed scanner to aid the 1890 Project digitization.

\$ _____ **Webinars & Jamboree Webcast Fund.** Help continue our successful Jamboree Extension webinar series and live streaming of world-class speakers from Jamboree. Add equipment and services to record presentations and meetings for posting behind the Members Only wall.

\$ _____ **Library Collection Support.** Help maintain one of the largest collections of genealogical materials on the West Coast.
