SCGS Legacy Family Tree User Group

Meets the 2nd Monday of the month
6:00 – 8:00 pm
SCGS Library, 417 Irving Dr., Burbank, CA

‘Back To Basics with Legacy’

The Legacy Family Tree User Group is a forum to learn this software program, answer questions, improve your efficiency and assist others with your expertise- whether you use the free download, Legacy 7, Legacy 8 or Legacy 9 (scheduled for release late 2016).

Legacy Family Tree is one of the most popular software programs to store your family tree. You can add pictures and documents to your ancestors; create a variety of reports; properly (and painlessly) cite sources; obtain research assistance and much more.

All are welcome to participate! You may want to bring your laptop or tablet to practice your skills as we explore Legacy’s capabilities.

Upcoming 2017 meetings:

January 9	April 10	July 10	October 9
February 13	May 8	August 14	November 13
March 13	June 12	September 11	December 11

For further information contact the Legacy User Group leader:
