## Diving in to Census Research

By **Connie Walton Moretti**

Census research is an important first step in research. This lecture will assist in informing you about the U.S. census.

**Connie Walton Moretti** is a third-generation Californian, Connie developed her love for genealogy from a story-telling grandmother who enrolled her in Knotts Berry Farm's Covered Wagon Club at age nine. Connie taught beginning and internet genealogy classes for South Bay Adult School, served as editor of the South Bay Cities Newsletter for five years and is the co-author of two genealogy books. She is a member of APG, NGS, NEHGS, VGS, NSDAR, USD1812 and UDC.

## Who Needed it Anyway? Researching Around the Missing 1890 Census

By Sara Cochran

The loss of the 1890 Federal census is a source of great frustration for American Genealogists, but all hope is not lost! Learn strategies and gather tips for success in locating your family in other records between the 1880 and 1900 Federal censuses.

**Sara Cochran** is a full-time professional genealogist who has been conducting genealogical research for over twenty-five years. In addition to her lectures, she is Treasurer of the Southern California Chapter of APG and the Registrar for the Aurantia Chapter, NSDAR.
