“REPOSITORY INFORMATION DAY AT SCGS” 1:00 to 3:30 p.m.

Presented by

Various repositories around the country

The repositories were established throughout the country for research purposes. There are regular collections and special collections that are available to us either in person or online. Many with core holdings on the history, art, and culture of America. With books, microfilm, microfiche and digital copies of documents. This presentation will provide some information about what is available. We spotlight Southern California and expand throughout the country.

More detailed information will be forth coming.
