They do not accept Marriott stamps and you will not be able to use in-and-out parking if you park here. If you park in any of the Airport long-term parking areas, use the Airport Shuttle system to go from the parking area to the Burbank Airport. For example, you can take the Metro Red Line to the North Hollywood Station and then catch a bus that will get you right to the corner of Thornton Avenue and Hollywood Way. You can park free at the North Hollywood Red Line Metro station at Lankershim and Chandler. I know that three bus routes (163, 165 and 94) stop at the corner of Thornton Avenue and Hollywood Way; there may be others in the neighborhood. Plot your trip at http://www.metro.net/default.asp and use either the Burbank Airport or 2500 Hollywood Way as your destination point.</p>
