“African Americans in the Works Progress Administration (W.P.A.)— Their Lives, Experience and Records”

By Sharon Gillins

Using the records of the WPA to research African American families during the Depression era; lecture covers their experience, major projects of genealogical value, how to obtain personnel records and how to use finding aids to locate WPA collections.

Sharon Batiste Gillins has been a passionate family history researcher and genealogy educator for more than 25 years. Her teaching and research emphasize strategies that researchers can use to locate and analyze underutilized record groups for African American family research.

“Identifying & Researching your Ancestors Who Served in the Military”

By Marti Lewis

This presentation aims to research the dates on your pedigree chart, census, and death records to identify your ancestors who may have served in the military. The war timeline will also tell you which war your ancestor may have served.

Marti Lewis is a compelling and influential voice in the genealogy community. She has been featured, quoted, profiled, and published in several major media publications. She's also the President of the San Diego African American Genealogy Research Group.

Lunch and Learn Education Program

Saturday, February 11, 2023
