“WorldCat and ArchiveGrid Finding Books, Manuscripts, and More”

By Karen Fortin

WorldCat and ArchiveGrid are free online resources that allow you to identify and locate a rich treasure trove of books, manuscripts, and other print materials that could prove invaluable in your genealogical research.

Karen A. Fortin has degrees in History and Library Science and a passion for research. She is a member of various genealogical societies and loves to help people explore their family's history and the world in which they lived.
